Because the Company would not order the Association men to disband their organization the Union officers on February 9th prevented our employes from going to work. When our men reported as usual for duty. Union pickets instructed them not to work. Three men who attempted to

work were violently assaulted. This strike lasted about six hours.

The Union has since renewed its efforts to have the Association disbanded, for the purpose of enforcing the closed shop.

Our only knowledge of the reason for our men not working this morning is the common knowledge that agitators, not in this Company's employ, have fomented a strike, disregarding the wishes of the majority of our employed that the Union who desire to remain at work and de-
